

Cumberland County ARC Life Time Adult Day Care

RLS Construction Group was contracted by Kusic Properties to perform a tenant fit-out to house Cumberland County ARC's Life Time Adult Day Care facility in Mechanicsburg. The project includes renovations to achieve a new floor plan for the space, as well as installation of carpet and ceiling, painting, and testing of all lighting fixtures. Additionally the existing restrooms were renovated to accommodate two (2) toilets each, and four (4) new restrooms were added. The project also included the installation of counter-tops, cabinets and sink in the kitchen area, as well as tenant-supplied appliances. The new space creates a warm and inviting environment for the center's staff and clients.
