

Edward N Cahn Federal Building Renovations

RLS Construction Group was selected by the United States General Services Administration to renovate space at the Edward N Cahn Federal Building, in Allentown, PA, to upgrade the offices for the Federal Bureau of Investigations (FBI). The project will include replacement of the existing architectural as well as mechanical, electrical and plumbing systems for office spaces on the 2nd floor of the building. The newly renovated space will create an updated appearance, with efficient building systems, providing comfort and professionalism for the end users.

Location:
Allentown, PA

Client:
US General Services Administration

Cost:
\$222,187

Completion Date:
on-going
