

# Edward N Cahn Federal Building US Attorney's Office

**RLS Construction Group** was selected by the United States General Services Administration to renovate space at the Edward N Cahn Federal Building, in Allentown, PA, to upgrade the United States Attorney's Office. The project will include replacement of the existing architectural and building systems for the existing office spaces. The newly renovated space will update the infrastructure and equipment to the highest technological and security requirements for the comfort and protection of the staff and end users.

Location:  
**Allentown, PA**

Client:  
**US General Services Administration**

Cost:  
**\$104,700**

Completion Date:  
**on-going**
