

Lebanon VA Medical Center Endo/Surgical Expansion

RLS Construction Group was selected by the Department of Veterans Affairs to provide general construction services for the expansion of the Endoscopy and Surgical Suites at the Lebanon VA Medical Center. The expansion project, located at Building #101 on the medical campus, provides two (2) new Endoscopy procedure rooms and ancillary support spaces, as well as sixteen (16) Pre-Op/Hold/Recovery Rooms, eight (8) Post-Anesthesia Care Units, and a new Operating Room Suite consisting of a sterile core area, four (4) new Operating Rooms and ancillary support spaces. This new space brings patient care to the highest level at this state-of-the-art facility.

Location:
Lebanon, PA

Client:
