

Martinsburg VA Medical Center OEF/OIF Clinic

RLS Construction Group was contracted by the Department of Veterans Affairs to provide general construction services for the new OEF (Operation Enduring Freedom) / OIF (Operation Iraqi Freedom) Clinic, located in Building #500 at the Martinsburg VA Medical Center. The project involves the complete renovation of the 2A Wing to create a new suite with reception and waiting areas, group therapy room, two (2) exam rooms, nine (9) patient interview rooms/staff offices, clean supply and soiled utility room, storage space, hospital swing space, and new public restrooms. The finished space will create a welcoming atmosphere designed for the specialized healthcare needs of the returning service members, to assist them in re-adjustment and to address other post-deployment issues.

Location:
Martinsburg, WV

Client:
Department of Veterans Affairs

Square Footage:
3,400

Cost:
\$615,000
