

Wilkes Barre VA Medical Center Clinic Addition

RLS Construction Group was selected by the Wilkes-Barre VA Medical Center to renovate the Basement Clinic Addition, located in Building #1 on the medical center campus. The project includes demolition, reconfiguration, asbestos abatement and construction of walls, floors, lights, ceilings, alarm systems, fire suppression, cameras, electrical/information technology systems, doors, signage, stairs, HVAC, asphalt, concrete and associated structural work to accommodate new space efficiencies. The finished project will provide a modern, comfortable environment for patients and allow the staff to conduct the necessary treatments with expediency and care.
