

# Wilkes Barre VA Medical Center Wound Care Clinic

**RLS Construction Group** was selected by the Wilkes-Barre VA Medical Center to renovate the Wound Care Clinic. This work involves space on the 2nd floor of the Medical Center building and includes demolition of the existing HVAC, plumbing, electrical, and architectural systems, asbestos abatement, and lead remediation. New HVAC, plumbing, electrical, and fire protection systems were installed and construction of the new layout will provide the staff and patients with a safe and comforting treatment environment.
