ADMINISTRATIVE CHANGES – ALL CONTRACTS

Item 1 - A question was posed by a bidder: "Concerning the DBE/VBE good faith effort backup documentation for Part 2, please advise if bidders can include copies of all written solicitations and documentation of follow-up calls to SDBs under base bid 1 and simply include a coversheet under base bids 2, 3, and 4 stating that the base bid 1 backup information applies to the subsequent base bids also . Since this information applies to all base bids, this would eliminate the need to include the exact same information multiple times in the DBE and VBE packages greatly minimizing the file sizes. Again, all required information will be provided, it just will not be provided in duplicate under base bid 2, 3, and 4."

**Answer:** Each bid must contain the DBE/VBE good faith effort backup documentation.

Item 2 - BDISBO DSB/VBE Goals Presentation is scheduled for Thursday November 21 from 3PM to 4PM EST via Microsoft Teams. See link below to participate:
